

### THE VICE PRESIDENTS REPORT CRA VP Kyle '2K' Knutson

The June weekend was full of great racing. The weather may not have been perfect all weekend but Saturday was as good as it gets and even in the rain on Sunday there were great battles and close racing. The track record for the new competition course was improved by our local gunslinger Rob Jensen (I was told "1:35.6"). And a BIG THANKS to the many workers that made it safe for us to get back out on a clean track Saturday!

Another "Twin Sprints" weekend is next and we will get to stretch our legs as July is set for the long course. The schedule will once again be tight and fast paced with a lot of racing back to back so be sure and bring lots of liquids and stay hydrated. Saturday night the annual "PIT BIKE RACES" will be held in the infield once again. Set to begin at 6:45 at the go-kart track. Rules have not been finalized so be prepared for any thing!

The Friday Worker Lunches for the July weekend will be supplied by Bonnie Dargis (aka: Marky's mom!) and B.O.D. member Mark Fisk. Be sure and thank them if you see them!

CRA welcomes Z.A.R.S (Zalusky Advanced Riding School) to the list of contingency supporters. (Check the "contingencies" section on www. cra-mn.com for this and all the great contingency payouts available.)

Looking forward to another great weekend of racing in July!

And a reminder that there are two positions on the Board of Directors that will be up for this year's election so start thinking about nominees. Know anyone that you think would be an asset to the club? Nominate them. Think you can help? Have someone nominate you! All nominations will need to be in by August 24th.

See you at the track!!!!

## **BATHROOM VANDALISM**

Unfortunately we have been having problems with the bathrooms at the track being vandalized in the overnight hours. If this continues to happen, we will need to either close the bathrooms at night or hire additional security and increase camping fees to cover the expense.

If you happen to have any information regarding these incidents, please contact any of the board members listed inside the front cover. Or, if you see something going on at the track, please notify track security.

We hate to have one or two people spoil it for the whole group, but this vandalism cannot continue.

Dustin

July Pre-Registration

Please remember that if you pre-registered for July Double Sprints, you must pay your balance due before you are allowed on the track. Please see me in Race Registration to pay your balance as soon as you can. Please also remember that if you pre-register and are not able to race, you are still responsible for your balance due. If balances are not paid, you will not be allowed to register for future race weekends until balances are resolved.

Please contact me if you have any questions!

## **CAPTAINS BLOG**

#### Vol. 3

Deadlines, deadlines, deadlines! It's amazing how fast this stuff comes up. I've been meaning to sit down and write this edition but just haven't found the time until now...the night before it is due of course. In fact, I went all through high school and college doing things the night before they were due. I guess some things never change. This will be a short one.

Anyway, June was an interesting weekend. I had so much stuff to bring to the event for the club it barely fit in my truck and trailer. Between worker gifts, the shirts, easy-ups, water jugs, tarps, the fiddys for the drawing, and my own gear the Jeep was packed full. True enough being on the Board is a lot of "work"- so why do it? Sure there's the busy work of my particular position; reconciling the worker points after each weekend, modifying the sign-in sheet for the next weekend, considering what the workers need in the way of supplies and equipment, and placing the orders for the service gifts etc. I get satisfaction out of ensuring that stuff is done effectively, but what is most rewarding for me are the results of the hours of "thought energy" put into the role and helping drive the club in a direction that is hopefully best for all in general. Participating in the discussions and decision making is why I enjoy the job. Meeting the people and listening to the various points of view is not only enlightening but educational as well. Anybody who knows me knows I am a big proponent of continuing education and lifelong learning. Being on the CRA Board is a great way to expand horizons, set and attain goals, and have an impact. There are some positions opening up on the board and an election will be held this year so I strongly encourage you to consider running for the Board as a way of contributing to the club as well as your own experience.

In June I stayed through Monday to get some uninterrupted laps around the Competition (short) Course at BIR. Thanks to Nick and the now regionally defunct TrackAddix (http://www.trackdaymag. com/Article.aspx?id=3756) I got the chance to do several laps on the K1200s. My conclusion; it is a very big bike to be throwing around that track and especially through the turn 9 kink! I need a track bike. So, I purchased a crashed Yamaha R6 and am in the process of rebuilding it mainly for track use. I didn't pay much for it and it runs good so I hope to have it ready by August 18th for DCTC (http://www.ridingcourse.com/). Will it lead to racing in the CRA? Time will tell, but for now I'm happy just to have a "6" again with enough money left over for a good setup and some proper gear. Let's just say I hope I never "need" the services of my fellow corner workers!

July will be tough for me. I have a potential conflict with the weekend and doubt I will be able to do both. I don't enjoy being forced to choose between the two and if I miss CRA it will be the first race weekend I've missed since I got involved. I hope to be there.

Please remember to sign in carefully...you wouldn't believe the hours involved in dealing with that sheet. The rules are you are not supposed to be given credentials if you do not check the days you are working and the specialty. There are also always several names I cannot read so please write carefully. Thanks!

Best wishes to all the racers injured this season so far and I hope you all are recovering quickly. Good luck to everyone racing in July and I hope to see you all there!

I am always open to any suggestions or feedback regarding the blog, the Board, or any other subjects. Drop me a note at workerliaison@ cra-mn.com.

The CRA welcomes its four newest racers Marty Freeman, Justin Julian, Aaron Nelson, and Anthony Omelian. Marty, Justin, Aaron, and Anthony all did very well starting with their Graduation of New Racer School on Friday to racing all weekend long. Mark and Jessica wish them long careers with the CRA. ## **PARADE LAPS FOR GWENN DOLNEY**

The money from the June Sunday Parade Laps will be donated to the American Cancer Society in honor of Gwenn Dolney. Besides motorcycles, there were passenger cars, pickup trucks and even mini vans out there. Glancing up and seeing a mini van go around Turn 9 was quite shocking. Overall there was a great turnout and we raised \$630! Thank you to everyone involved.

# **AUGUST NEW RIDER SCHOOL**

If there is enough interest, the CRA will hold a New Rider School on Friday August 21st. Contact Mark Miller at: (crash\_mark@hotmail.com) with any questions.

#### RACER OF THE MONTH BRUCE MAGEE #198

Well, where do I start. I am Bruce Magee #198, also known as Weeman. I am a retread racer from the late 80's. I was talked into roadracing for the first time by two of my friends Bob Poore (Past #92) and Old Man Glenn Christensen #44. They wanted to race Bob's Yamaha RD350 in the endurance race and needed a third rider. I volunteered for the third spot not knowing what I had gotten myself into.

Photo submitted by Bruce Magee

I had previously raced dirt, but never roadraced, and thought it would be fun to try it out. After help from Glenn and

Bob in what to do and what to expect, I was off for the time of my life. Bob, Glenn and myself left for the track. I had just bought a new Ninja 600 the year before, and that was going to be my practice bike for the weekend. I had my eyes opened the first day at turn 2 at about 120 mph, I thought how could anyone comprehend anything faster than that. After that day, I was hooked, and now I am a junkie forever. RACING, the most fun you can have with your pants on.

My second time around in roadracing started in '02 after my two sons Sean and Skyler went off to college. My great friend and fellow troublemaker Paul Jensen #888 wanted to roadrace, and wanted me to join him, this was going to be his first time at roadracing. I wanted to tell him all the things that happened to me and all the great times that were to come, but somehow I forgot to tell him how addicting this thing "roadracing" is. Hopefully he will forgive me for making him into a junkie too.

Thanks to Paul and Jennifer Jensen #383 for starting JenSpeed. You can find us JenSpeeders in garage C at the track. I have to say thanks to all the Volunteers that come out to make all this happen for us racer junkies, and thanks to all the friends and family that support us.

The '09 Season will be great now that we have two tracks to ride. We also have a professional tech team to oversee our machines to keep us safe. I am grateful for that. Also thanks for all you corner workers for showing up every weekend and enduring the heat, cold, wind, rain and sometimes snow and hail, to allow us to do what we do. I really love the CRA people and appreciate the level of competition we have in this group. I can't wait to go fast and take chances again, so see you all in July. Ciao Baby

Keep the rubber side down Weeeeman (Bruce Magee #198)

# ST. CLOUD 4TH OF JULY PARADE

The CRA was well represented in the St. Joseph, Minnesota 4th of July Parade. We had 2 trucks with trailers/bikes, music, candy and schedules. Great kids helping us out for the day, riding scooters, throwing candy and wearing cool CRA shirts and a couple racers in full gear to greet the huge crowd. We (our group) handed out over 750 printed 2009 CRA schedules, tons of candy (never enough) and 200+ vanity shots courtesy of Momentum Photo for the kids! Over 10,000 people were in attendance for the 14 block parade. We had an awesome group of friends and family helping!

Special thanks to CMS Auto Body in St. Joseph for paying all the entry fees and St. Cloud SUZUKI for donating a new Toyota truck and trailer for our use that day. Thank you Zach Hughes #13 for making the trip and being such a good sport!
