

# President's Report

*May 2024*

It was great seeing everyone at the track for a fantastic opening race weekend. We had strong attendance, decent weather (especially for early May), and — most importantly — great racing.

Here are some data points from our May weekend that I think are useful for tracking our progress as the season goes on:

- 15 new racers – we had 13 in May last year (up 15%).
- 76 returning racers – we had 74 in May last year (up 3%).
- 419 races purchases – we had 410 in May last year (up 2%).
- 53 Friday practices purchased – we had 56 in May last year (down 5%).
- 109 volunteers registered – we had 119 in May last year (down 8%).
- 41 contingency racer participants – we had 14 last year (up 315%).
- 18 CRA contingency programs – we had 12 last year (up 50%).

My takeaways are that we had good racer numbers for early May, but we will need to grow more to keep up with rising track rental costs. Friday practice continues

to be a financial strain. Our contingency program is really taking off, and our chiefs are working hard to build on that momentum and get more money for racers.

We also need to find creative ways to reverse the trend of lower volunteer registration numbers. We saw several delays in track opening due to corner worker shortages. Preventing delays in opening was one of our goals for 2024, and we are off to a rocky start. The Board and the Volunteer Committee are prioritizing this issue, but we need your help: volunteer, work a corner, bring a friend, attend a committee meeting. Anything helps!

We are also partnering with MotoAmerica to support their event at BIR this year, which is June 14 to 16. Please consider volunteering for that event: you will get the best seats in the house, free entry, free camping, lunch, and a special-edition MotoAmerica / CRA Race Staff T-Shirt!

Finally, please consider volunteering for one of our committees: Marketing, Volunteer, Racer, Finance, Infrastructure, or Race Day Operations. All are welcome and time commitments are flexible. E-mail us at [info@cra-mn.com](mailto:info@cra-mn.com) to sign up or for more information.

# Remember Specialty Awards?!

Me either. That's why I'm posting them now to save you from wracking your brain at the end of the season. As we move through this year, keep thinking about who might fit the bill for each of these specialty awards. (I recommend maybe making a little note to yourself each weekend so you don't forget when voting season comes around, but, you do you.)

## **Captain Hazelwood**

Named after the hapless American sailor convicted of negligent discharge of oil following the Exxon Valdez oil spill in 1989, this award is given to the racer who best channels the spirit of Joseph Hazelwood by absolutely slathering the track with oil.

## **Most Improved Novice**

This goes to the novice rider who has improved the most this season.

## **Most Improved Expert**

This goes to the expert rider who has improved the most this season.

## **Pickled Piston**

The Pickled Piston award is given each year to the racer who contributes the most motors to the great scrap heap in the sky.

## **Ride of the Year**

The Ride of the Year award is traditionally given to the most impressive, cleanest, or best-looking bike or pit area in the paddock.

## **Sportsman of the Year**

The Sportsman of the Year award is given to the member who most embodies our club's core values through a commitment to the betterment of the sport, a willingness to help others, and overall sportsmanship.

## **Tuner of the Year**

Who has tuned the best/most bikes on the grid this year?

## **Rookie of the Year**

This goes to the new rider who has wow'd us the most this season.

## **Where Did They Come From?**

Someone is/has done something so "out there" that it makes you think, "where did they come from?"

## **Worker of the Year**

Our volunteers are the best, but who has really gone above and beyond this season?

## **Paul Rose "Golden Poo" Award**

It's a high honor (dishonor) among the corner captains. The Paul Rose "Golden Poo" award was created to recognize the person who has the most chaos on their corners throughout the race season. Paul Rose is simply the guy whose trophy we repurposed (LOL). The "shit magnet" award is given to the person in charge on a corner who attends to the most incidents during the race season. It can be a corner captain, captain in training, or even a worker in charge.

# Board of Director Nominations

**Attention all members! At the end of the 2024 race season, there will be 2 open positions on the Board of Directors.**

The BoD is comprised of 7 individuals filling the following positions:

- **President**
- **Vice President**
- **Treasurer**
- **Secretary**
- **Membership**
- **Racer Liaison**
- **Worker Liaison**

Elected BoD members commit to a 3-year term and can be re-elected to a 2nd term. These are essential positions to keep our club running. We still have lots of time but, please consider running or nominating someone you think would be a great candidate!

# Volunteer Points

## What are they, Who gets them, What are they good for?

### What are volunteer worker points?

Volunteer worker points are how the CRA recognizes a volunteer's commitment to the club and awards CRA swag at certain point levels. Volunteer points are also used to track active volunteers, how often they volunteer, and their volunteer specialties.

The club uses this information for a few different purposes.

- Creating the volunteer gate list for each race weekend
- Ensure we have a large volunteer base to staff the race weekends
- Identify specialties that may require additional volunteers

### Who earns volunteer worker points?

Volunteer points are awarded to CRA members who provide their time and effort to support the club. There are 3 general ways to earn points.

- Volunteer during a race weekend
- Volunteer for special events and club positions
- Volunteer referral program

## Earning points during a race weekend

Volunteers can earn up to 7 points per a race weekend, 1 on Thursday, and 1 or 2 points each on Friday, Saturday, and Sunday depending on the specialty and amount of time volunteered.

Day Worked	Points Earned	Specialty Worked*
Thursday	1	Air Fence, Course, IT, Race Registration, Tech Inspection
Friday	1	Hospitality, Race Registration Shifts, Half Day Shifts
	2	Course, F&C, Grid Marshall, Race Control, Safety, Start/Finish
Saturday	1	Hospitality, Race Registration Shifts, Saturday Night Entertainment Lead, Half Day
	2	Shifts Course, F&C, Grid Marshall, Race Control, Safety, Start/Finish
Sunday	1	Hospitality, Race Registration Shifts, Half Day Shifts
	2	Course, F&C, Grid Marshall, Race Control, Safety, Start/Finish

\*A volunteer can only earn a maximum of 2 points per day regardless of specialties worked/time committed.

ie. A full day of corner working and air fence tear down only earns 2 points

## Earning points for special events/club positions\*\*

Points can be earned by volunteering during special events where the CRA has a vendor booth such as the Donnie Smith Bike Show, Flood Run, MotoAmerica, Forgotten Star Brewing Motorcycle night host by The Litas. In many cases these events pay double points.

Certain club positions also earn additional volunteer points because the time/effort committed outside of the race weekends. These positions include the Board of Directors, Newsletter Editor, and Race Stewards.

\*\*Lists are not all inclusive.

## Volunteer Referral Program

Refer a new worker to the CRA and earn 10 points for yourself, and 5 points for the new worker. To earn the referral points the new worker needs to earn 3 volunteer points AND complete their CRA membership on Motorsportreg.com. Once the criteria has been met, please email [Workerliaison@CRA-MN.com](mailto:Workerliaison@CRA-MN.com) to claim your bonus points.

# 2024 Team Championship

## Jump in to the fun, it's not too late!

Thanks to the SEVEN teams that have registered for 2024's Team Championship so far. Grab a team of 2 or 3 racers and compete for points to earn the coveted title of 2024 Team Champion and a healthy cash payout! With 4 power-packed events remaining for the year, there is plenty of time to jump in the points competition.

Can you guess who is on these teams? Is your team ready to join in the fun?

Beasty Balls  
Esquire Racing MOP  
LM2  
Nielsen Racing  
Routh Racing  
TPL Racing  
Your Worst Nightmare

To register, you need to both e-mail the [Racer Liaison](#) the name of the team and its members AND pay the Team Championship registration fees on MotorsportReg for each team member. (Note – the Team Championship is a 100% pass-thru of Team Championship registrant fees to the podium at the end of the year – the more that enter, the bigger the purse!)

For teams that have already fully or partially registered, we have applied a grace period for Event #1 to complete your registration and send your points tally (via Google Sheet) to Mike Williams no later than 5/31. Any submissions after that will not accrue points for Event #1.

For new and existing teams for Event #2, make sure you fully complete registrations and points tally within 7 days of the conclusion of the event.

We will include results to date in the newsletter following Event #2.

Jump in, join the fun and take that team prize home  
(or to the bar).

# Incentive for recruiting new volunteers!

In addition to the worker bonus points incentive that has been in place for several years, we are now offering an incentive for racers who refer volunteers! The requirements of the new volunteer are the same as the requirements through the worker bonus points program (see below). For the racer incentive, the referring racer will receive a \$25 coupon code valid for CRA events!

## **Recruitment bonus points/coupon requirements:**

1. The “new” volunteer must have never volunteered with the CRA previously.
2. The “new” volunteer must fill out a membership application on that first weekend they volunteer, and have it on file with the membership director.
3. The “new” volunteer must list the “referring” volunteer or racer on their membership application.
4. The “referring” racer/volunteer must also have already or will need to fill out a membership application, and have it on file with the membership director.
5. The new volunteer needs to earn 3 worker points
  - 1 point is earned for each half day worked
6. The recruiting worker will then receive 10 bonus points - or - the recruiting racer will receive a \$25 coupon code valid for CRA events; and the new volunteer will receive 5 bonus points.

Once the new worker has completed their paperwork and earned the required points, please contact the Worker Liaison: [workerliaison@cra-mn.com](mailto:workerliaison@cra-mn.com).

# Let's Get To Know... Paul "Mr. Big Check" Jensen aka CDR JenSpeed

By: Lindsay Ingebritson

Paul has been racing (#888) since 2002. Paul/JenSales is a fierce supporter of the CRA being a Platinum Sponsor for many years. He is also a Contingency sponsor of the LWGP class and now for 2024 the SuperMoto subclass in the ULGP races. He brings the cash and Big Checks!!

When Paul is not at CRA weekends he is a husband (his wife Jennifer has also raced with the CRA - yea women racers!), a father of two daughters, a retired Navy Explosive Ordnance Disposal Technician and Diver, the spiritual head of JenSpeed Motorsports, and he owns Jensales Inc. That's quite the list! When will we see your 2 daughters on track???

Something you might not know about Paul is that he is a closet feminist (so says his wife, Jennifer). He also manages and loves a flock of chickens at the JenSpeed Training Compound. Paul intends to race well into his 70's! He is currently 57 years old. John Roswick and Tony Marx are his spirit animals and personal motivation. Well, Paul, the CRA is so grateful for you and your support and looking forward to having you around for the next 13+ years! Paul says his favorite part of CRA motorcycle racing is the competition and camaraderie - some of his very best friends have been made at the track. I think a lot of us could say the same thing. <insert smiles, awwwws, and warm fuzzies here>
