

President's Report

September 2024

It's hard to believe we are already approaching our final event of the season. It is going to be an epic weekend, starting with **FRIDAY RACES!** We are really excited to test this format, which should help ensure that CRA's Friday Practice remains a financially viable format while also giving us more opportunities to go racing. The 18-lap Trophy Dash format is also something many of our racers want more of, so we hope these Friday races are a success.

The season will conclude on Sunday with one of the CRA's most exciting and iconic events: the **5-Hour Endurance Race**. When I ask retired racers and current OGs about their favorite CRA memories, their answers almost always include a story about the 5-Hour. The planning and strategy, physical challenge, teamwork, camaraderie, and overall spectacle make the CRA 5-Hour a must-race, must-see event.

But it's no secret that the 5-Hour presents a financial challenge: for years, our receipts from race registration fall far short of track-rental cost, meaning the event is a significant loss-maker for the club. The best way to keep this tradition alive is to sign up, race, and recruit others for the 5-Hour. Whether you're going for the overall win or just using the track time to get a few extra race laps in before winter, there is nothing quite like the CRA 5-Hour. Don't miss it!

I am also looking forward to seeing everyone at the **Admiral's Chili Cook-Off in the classroom building at 6:30 p.m. on Friday**. We are asking for cash donations, 100% of which will **benefit the family of beloved CRA racer, Austin Tschida**, who tragically passed away earlier this year. Thank you to the Turn 13 Pirates for hosting this event!

Please stop by our **Rules Forum meetings this year at 7 p.m. on October 2, October 16, and October 30**. They are by videoconference and give the membership a chance to shape the rules for 2025.

We will have **three** Board vacancies this fall. Thank you to those who have submitted nominations and especially to those who have accepted their nominations. Please **consider nominating someone** you think would be a good leader for this club or [e-mail us directly](#) if you are interested in running.

Finally, our club is finishing the year strong thanks to the tireless work and dedication of our volunteers. But **we still need more help**: volunteer, work a corner, bring a friend, attend a committee meeting. Consider joining one of our committees: Marketing, Volunteer, Racer, Finance, Infrastructure, or Race Day Operations. E-mail us at info@cra-mn.com to sign up or for more information.

**TRACKSIDE
LABS**

Looking to improve your lap times?

Over the 2022 season, Justin Miest of Nielsen Racing utilized the MICHELIN POWER PERFORMANCE tires to break two track records on both configurations of Brainerd International Raceway: the Donnybrook Course with a 1:38.514, and the Competition Course with a 1:34.163.

Without the incredible levels of grip that MICHELIN POWER PERFORMANCE tires provide, and the expert knowledge and experience that Trackside Labs offers, records like these would be nearly impossible to set.

Accelerate your program to the next level!

Specialty Awards

Election season is just around the corner. As we approach the end of the race season, keep in mind who you think fits the following descriptions.

Captain Hazelwood

Named after the hapless American sailor convicted of negligent discharge of oil following the Exxon Valdez oil spill in 1989, this award is given to the racer who best channels the spirit of Joseph Hazelwood by absolutely slathering the track with oil.

Most Improved Novice

This goes to the novice rider who has improved the most this season.

Most Improved Expert

This goes to the expert rider who has improved the most this season.

Pickled Piston

The Pickled Piston award is given each year to the racer who contributes the most motors to the great scrap heap in the sky.

Ride of the Year

The Ride of the Year award is traditionally given to the most impressive, cleanest, or best-looking bike or pit area in the paddock.

Sportsman of the Year

The Sportsman of the Year award is given to the member who most embodies our club's core values through a commitment to the betterment of the sport, a willingness to help others, and overall sportsmanship.

Tuner of the Year

Who has tuned the best/most bikes on the grid this year?

Rookie of the Year

This goes to the new rider who has wow'd us the most this season.

Where Did They Come From?

Someone is/has done something so "out there" that it makes you think, "where did they come from?"

Worker of the Year

Our volunteers are the best, but who has really gone above and beyond this season?

Paul Rose "Golden Poo" Award

It's a high honor (dishonor) among the corner captains. The Paul Rose "Golden Poo" award was created to recognize the person who has the most chaos on their corners throughout the race season. Paul Rose is simply the guy whose trophy we repurposed (LOL). The "shit magnet" award is given to the person in charge on a corner who attends to the most incidents during the race season. It can be a corner captain, captain in training, or even a worker in charge.

Join Our Board of Directors

Help Shape the Future of the Central Roadracing Association

We are seeking three passionate and dedicated individuals to be re-elected/join our Board of Directors. Two existing positions are open for potential re-election or new Directors and one replacement is needed for an early resignation (for exciting family reasons). With six-figure annual revenues and hundreds of dedicated racers and volunteers, we are at a critical point in our historic success and journey. As a Board Director, you'll play a crucial role in guiding our incredible organization for the future.

Our Board is currently a "working board," with responsibilities that span both tactical action and strategic oversight. However, this year we began our launch of a committee structure which is intended to include more volunteers in leadership and execution of tactical on and off season actions and improvements. To that end, the Board will continue to evolve, sharing tactical delivery with the volunteer base while applying more focus on the strategic direction and growth of our organization ensuring we continue to deliver on our mission of being recognized as the best racing experience in the Midwest.

What We're Looking For:

Strategic Vision: Ability to contribute to long-term planning and decision-making to help our organization grow and thrive.

Leadership: Willingness to support and guide Committee Chairs, ensuring accountability and effective operation.

Commitment: A passion for our mission and the ability to dedicate time and effort to Board responsibilities. Commitment and accountability to ensure the day-to-day operations are delivered for seamless event production.

Collaboration: Ability to work effectively with other Board members, volunteers, and stakeholders.

Passion: Desire to maintain the positive momentum of our 55 year old association while leading change to help the CRA to continue to grow.

Engaging Delegation: Lead and engage the broader volunteer base to lead and contribute to our collective success.

The time commitment typically includes two Board meetings per month and participation in Event weekends as well as additional tasks and activities to lead, delegate, and support delivery of required actions.

This is a unique opportunity to make a significant impact by helping to shape the future of our organization. Whether you're an experienced leader or looking to contribute your skills in a meaningful way, we encourage you to consider applying or nominating someone you believe would be a great fit.

How to Apply/Nominate:

Please submit a brief statement of your interest in joining the CRA Board of Directors or nomination of others **by Tuesday, September 24th** to info@cra-mn.com. We look forward to welcoming new leaders who are eager to drive our mission forward!

Let's Get To Know... Mark Fisk!

By: Lindsay Ingebritson

Mark is a team owner (the amazing Fisk Brothers Racing) and volunteer course marshal. When Mark isn't at CRA weekends, he is most likely working on race bikes (maybe those FBR racers need to stop breaking stuff). :-)

Seriously though, he is usually out singing karaoke with his girlfriend who hosts several shows. Mark also has a professional system in his shop and often has singer friends over to party and practice. If you were lucky enough to be at the party in the classroom July

Round 1 weekend, then you got to experience it, too! Fun fact - Mark reports that he can actually sing pretty well now! Side note: I've heard him sing and I agree.

Mark has been coming to the track since 2007 and has held many roles within the club including president for almost 5 years. Mark says, "The CRA is a special group of people who don't just compete with each other, but also care about each other. This "family" atmosphere has been a positive force in my life and in the raising of my children. I really enjoy motorcycles and racing in general so this combination that includes the many people I call my friends has had me hooked since I first came up to work corners. Since mid-season 2007 I've only ever missed one weekend!"

Mark has now had the opportunity to experience the CRA from every angle; spectator, volunteer, board member, and race team owner. According to him, it has brought enjoyment to his life for years and now his son's as well. "We hope to be around for a very long time!" We hope so too, Mark! Thanks for helping us get to know you.

Incentive for recruiting new volunteers!

In addition to the worker bonus points incentive that has been in place for several years, we are now offering an incentive for racers who refer volunteers! The requirements of the new volunteer are the same as the requirements through the worker bonus points program (see below). For the racer incentive, the referring racer will receive a \$25 coupon code valid for CRA events!

Recruitment bonus points/coupon requirements:

1. The “new” volunteer must have never volunteered with the CRA previously.
2. The “new” volunteer must fill out a membership application on that first weekend they volunteer, and have it on file with the membership director.
3. The “new” volunteer must list the “referring” volunteer or racer on their membership application.
4. The “referring” racer/volunteer must also have already or will need to fill out a membership application, and have it on file with the membership director.
5. The new volunteer needs to earn 3 worker points
 - 1 point is earned for each half day worked
6. The recruiting worker will then receive 10 bonus points - or - the recruiting racer will receive a \$25 coupon code valid for CRA events; and the new volunteer will receive 5 bonus points.

Once the new worker has completed their paperwork and earned the required points, please contact the Worker Liaison: workerliaison@cra-mn.com.

Volunteer Points

What are they, Who gets them, What are they good for?

What are volunteer worker points?

Volunteer worker points are how the CRA recognizes a volunteer's commitment to the club and awards CRA swag at certain point levels. Volunteer points are also used to track active volunteers, how often they volunteer, and their volunteer specialties.

The club uses this information for a few different purposes.

- Creating the volunteer gate list for each race weekend
- Ensure we have a large volunteer base to staff the race weekends
- Identify specialties that may require additional volunteers

Who earns volunteer worker points?

Volunteer points are awarded to CRA members who provide their time and effort to support the club. There are 3 general ways to earn points.

- Volunteer during a race weekend
- Volunteer for special events and club positions
- Volunteer referral program

Earning points during a race weekend

Volunteers can earn up to 7 points per a race weekend, 1 on Thursday, and 1 or 2 points each on Friday, Saturday, and Sunday depending on the specialty and amount of time volunteered.

Day Worked	Points Earned	Specialty Worked*
Thursday	1	Air Fence, Course, IT, Race Registration, Tech Inspection
Friday	1	Hospitality, Race Registration Shifts, Half Day Shifts
	2	Course, F&C, Grid Marshall, Race Control, Safety, Start/Finish
Saturday	1	Hospitality, Race Registration Shifts, Saturday Night Entertainment Lead, Half Day
	2	Shifts Course, F&C, Grid Marshall, Race Control, Safety, Start/Finish
Sunday	1	Hospitality, Race Registration Shifts, Half Day Shifts
	2	Course, F&C, Grid Marshall, Race Control, Safety, Start/Finish

*A volunteer can only earn a maximum of 2 points per day regardless of specialties worked/time committed.

ie. A full day of corner working and air fence tear down only earns 2 points

Earning points for special events/club positions**

Points can be earned by volunteering during special events where the CRA has a vendor booth such as the Donnie Smith Bike Show, Flood Run, MotoAmerica, Forgotten Star Brewing Motorcycle night host by The Litas. In many cases these events pay double points.

Certain club positions also earn additional volunteer points because the time/effort committed outside of the race weekends. These positions include the Board of Directors, Newsletter Editor, and Race Stewards.

**Lists are not all inclusive.

Volunteer Referral Program

Refer a new worker to the CRA and earn 10 points for yourself, and 5 points for the new worker. To earn the referral points the new worker needs to earn 3 volunteer points AND complete their CRA membership on Motorsportreg.com. Once the criteria has been met, please email Workerliaison@CRA-MN.com to claim your bonus points.

What are they good for?

Volunteers can earn exclusive CRA swag by reaching certain point levels.

- 25 – CRA Hoodie
- 50 – CRA Duffel Bag
- 75 – Frogg Toggs Rain Gear or CRA Hoodie
- 100 – CRA Jacket
- 150 – CRA Backpack
- 200 – Volunteers Choice* For details email the Worker Liaison
